

Guidelines for Selection of Applicants in GEOMATICS

Minimum Requirements (Eingangsfeststellungsverfahren)

1st Academic Degree

BSc, BTech, BEng, Dipl.-Ing., Dipl.-Ing. (FH), ...

Discipline

cartography, geomatics, geodesy, surveying, geography, civil engineering, regional planning, remote sensing, GIS, ...

Mandatory passed subjects

1 module in GIS (equivalent to 6 ECTS) and/or (depending on GPA) 1 module in programming (equivalent to 6 ECTS)

Grade Point Average

GPA \leq 2.5 (German grading system: 1.0 best, 4.0 pass level) or grade "B" of ECTS

English Certificate

TOEFL or equivalent test / native speaker / language of instruction.

Selection Process with ranking (Bewerbersauswahlverfahren)

Education Background

Max. 1.0 point per topic (AP)

(basics of cartography, basics of surveying, cartography/geodesy, informatics, programming, geography, GIS, statistics/adjustment, graphic data processing, mathematics)

Performance

Points out of GPA (LP)

RANKING POINTS

$BP = AP * LP$
