Student of the Year Esri Award 2021

Wir suchen...

We are looking for...

award-winning software application
by student(s) of IMM/HsKA
based on Esri software

Teilnahme / Application

- We encourage the submission of single or group applications. In case of group work, specify the main contributor.
- The focus of the presented work must lie on software development with Esri products.
- The submission (in English) should consist of 1 to 2 pages descriptive text (with focus on programming part) and a meaningful graphics.
- **Deadline: 5 March 2021.**
- Please submit by email to
Prof. Dr. Schaab (gertrud.schaab@hs-karlsruhe.de) or
Christian Stern (christian.stern@hs-karlsruhe.de)

All applications will be reviewed and ranked by a committee of lecturers teaching GIS at IMM to decide on the Student of the Year for IMM/HsKA. The best listed project(s) will be forwarded to Esri and have the chance to compete with others from Germany/Austria/Switzerland and even internationally. The winner from HsKA will receive 500 US\$. Esri might even invite you to the Int. User Conference in San Diego.
