Overview

Admissions

You can apply for this programme if you have a bachelor's or diploma degree in the field of business administration, economics, management or a comparable subject comprising at least 180 ECTS. As the program is taught entirely in English you also have to prove your English skills. Required is a TOEFL iBT with a minimum of 85 points or a comparable certificate.

Every partner university admits five to eight students. The application deadline for the Tricontinental Master in Global Studies at the University of Applied Sciences Karlsruhe is June 15.

Advantages

- At least two semesters abroad
- Understanding topics from different regional perspectives
- Constant collaboration with fellow students from different backgrounds
- Sensitivity for subsurface issues and resulting problems
- Cross cultural competence
- Developing future career networks
- Ideal preparation for a multinational career

Degrees

Students will receive a Master of Science degree from the University of Applied Sciences Karlsruhe, a Master of Arts from the National Chung Hsing University and can decide to receive an Advanced Certificate in Business and International Markets from the University of Monterrey.

Tricontinental Master in Global Studies

Faculty of Management Science and Engineering
Triple-Degree-Programme in Cooperation with:

October: Karlsruhe University of Applied Sciences, Germany

Location

Karlsruhe is situated in the south-west of Germany on the banks of the Rhine river, close to the north rim of the Black Forest. The city is the location of Germany's Supreme Court and of several renowned universities. Various world-famous enterprises as well as hidden champions are based in the surrounding area.

People

Karlsruhe University of Applied Sciences is the home of superb scholars. Acknowledged professors of engineering as well as business management and social sciences attract motivated students. Both are determined to deepen and sanctify the university's excellent reputation and carry on a tradition of more than 130 years of learning and practical innovation. This generates a corporate feeling that consistently continues among alumni and often constitutes precious relationships not only in professional life.

Country

Germany is a heavyweight in the EU. An excellently trained workforce, academics as well as craftspeople, composes the foundation for an innovative, highly productive economy with an outstanding infrastructure. People are friendly, helpful and open-minded.

Campus

The university's campus is very green and full of trees, bordering the Hardtwald forest, yet just five minutes away from the downtown center. All facilities are within walking distance, including the buildings of all faculties, up-to-date laboratories, administration, dining hall and dormitories.

February: National Chung Hsing University Taichung, Taiwan

Location

National Chung Hsing University is a research-led comprehensive university located in the south of Taichung City, in the middle of Taiwan. It has excellent accesses to any city and all attractions in the country. According to the Ministry of Education rankings, it is the best university in central Taiwan.

People

The most precious treasures of NCHU are its prestigious faculty, outstanding students, united alumni, and an efficient administrative team. NCHU will continue its efforts in consolidating resources and collaborations within and beyond the university to excel in its teaching and research and to increase its impact on society and well-being of human development.

Country

Taiwan offers an excellent infrastructure since convenient transportation systems and high-quality communication services play a key role in the global electronic supply chain. It also has accomplished a remarkable record of economic development and political democracy.

Campus

NCHU's main campus comprises eight colleges, including the College of Liberal Arts, the College of Agriculture and Natural Resources, the College of Science, the College of Engineering, the College of Life Sciences, the College of Veterinary Medicine, the College of Management, and the College of Law and Politics. It also owns four experimental forests and two experimental farms located in Taichung.

August: Universidad de Monterrey, Monterrey Mexico

Location

The Universidad de Monterrey is located in San Pedro Garza Garcia, the most prosperous suburb of the metropolitan area, capital of the state of Nuevo León. It has a unique campus surrounded by the beauty of the Sierra Madre Oriental Mountain Range.

People

At UDEM you will encounter a dynamic university atmosphere to stimulate your intellectual development. We strive to achieve academic excellence and the formation of leaders endowed with self-confidence, a critical and analytical spirit, social consciousness, high ethical standards, intercultural sensibility, and global competence, all of which contribute significantly to worldwide peace and well-being.

Country

Today, Mexico is the most important Spanish-speaking country outside Europe. It occupies an enviable geopolitical position as the bridge between North America and Latin America.

Campus

The Universidad de Monterrey is affiliated with universities all over the world and offers unique courses and activities that will allow you to understand and appreciate Mexican history, culture and society. You will also improve or perfection your linguistic and communication skills in Spanish.
