

Application Process

Internships and degree theses at CERN in Switzerland
The Technical Student Programme

Your benefits

- **Cooperation between HKA and CERN = advantage for your application!**
- 3319 CHF netto salary per month
- Travel allowance
- Additional allowance for a stay including married partner and/or child/children
- Health insurance (also for your family members)
- 2,5 days holiday entitlement per month

This is what you need to offer

- **Citizenship** of a CERN memberstate or of an associated member state
- Good command of English or French
- Subject area: **Engineering or Computing**
- Completion of min. 3 study semesters
- **Matriculation** during the whole duration of the internship
- **Duration** of a traineeship/degree thesis of between **6 and 12 months**

Application Process (1)

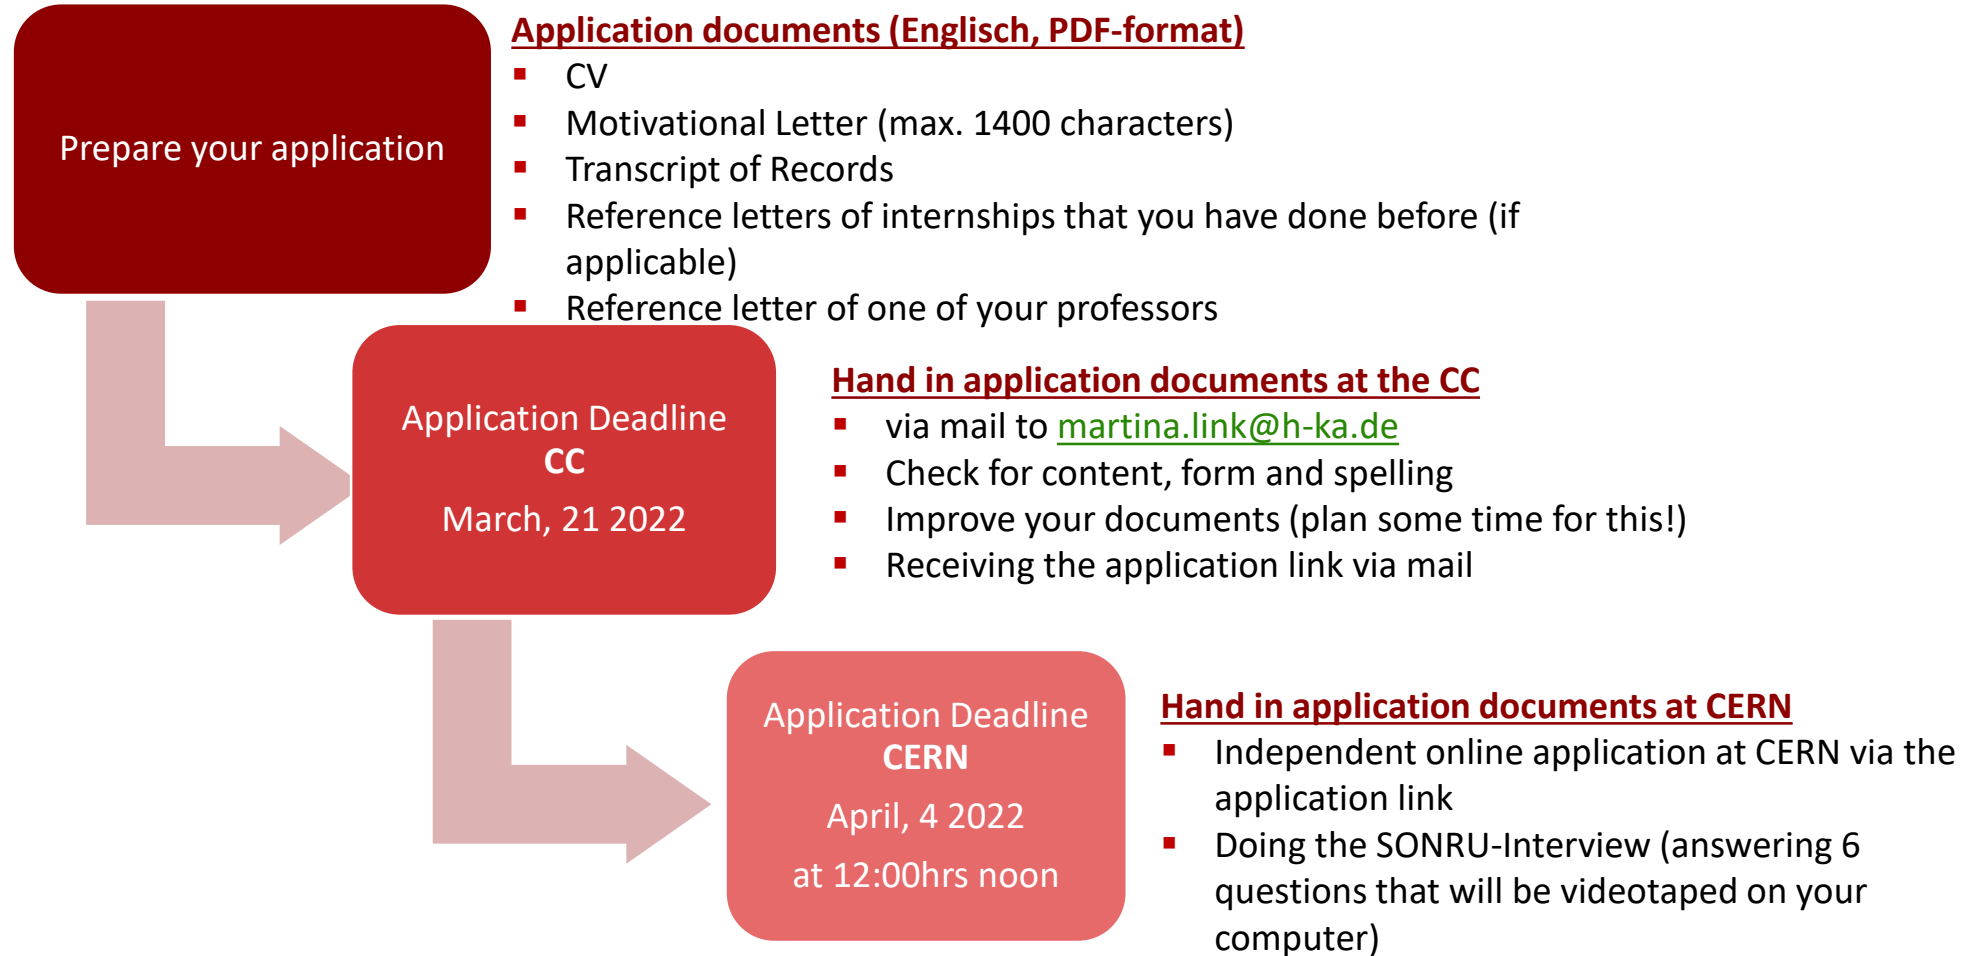

- In order **to increase your chances** of getting the internship, the Center of Competence of HKA has introduced an **obligatory check of your application documents**
- The application can be done after the check of the Center of Competence directly at CERN via an **application link**. You will receive the link via email by Martina Link.
