Academic Staff Meeting

Sustainable Development - Joint Education

University of Rouen Normandy (URN)

Time: 10-11 Dec 2025

Venue: University of Rouen Normandy

Participants: We invite academic staff members who are interested in developing and implementing Flagship Programmes, Pathways or Micro-credentials on topics related to the Socio-Ecological Transition and Sustainable Development.

Goal of the meeting: Identify SDG themes that can lead to development of new joint courses and programmes, in particular INGENIUM pathways and flagship programmes as well as short courses.

Tracks :

- **Bachelor's track:** Joint Pathway Programmes in Socio-ecological transition at Bachelor level (climate, energy, resources and biodiversity, new socio-economic models, environmental humanities, ...). URN will present its programme of asynchronous and face-to-face courses on socio-ecological transition issues (from 10 to 50 hours, bachelor's level).
- **Master's Track 1:** Sustainable Development and Circular Economy
- **Master's Track 2:** Sustainable Management and Coastal Conservation.
- **PhD Ecosystem :** Sustainable Development

We invite 2–3 academic staff members per track from partner universities who are interested in collaborating in these areas. A detailed agenda, including locations, will be shared with participants after registration closes.
