

DECLARATION - Digital oral and written examinations

1. Technical Equipment

You will need technical equipment to conduct the digital oral and written exams this semester:

- stable internet connection
- working microphone
- working camera
- access data to the usual online course room

If you do not have the necessary technical equipment, please inform the Institute of Foreign Languages (IFS). The IFS will then try to find a solution.

2. Privacy statement:

You will find the privacy statement on the website (online services 2).
